NATURAL HUMAN INTERFACE

THE NEXT MAJOR STEP FUNCTION IN  
COMPUTING

# SPEECH UNDERSTANDING ADVANCEMENTS

A dramatic photograph of a massive, curling wave crashing over three surfers. The surfers are positioned at different points along the wave's face, with the central one appearing to be in a more dynamic, possibly barrel-riding position. The water is a deep, dark blue, and the white foam of the wave is thick and turbulent. The sky is a dark, overcast grey, adding to the intense and somewhat somber atmosphere of the scene.

IT'S 2027

ARE YOU RIDING THE WAVE OF  
NATURAL HUMAN INTERACTION?
